

The PCPAAA Newsletter

January 2021

Happy New Year everyone!!!!

This month we will not have a Rap Sheet, but only this newsletter. The Police Department has stopped allowing volunteers at the PD due to the recent increase in COVID-19 cases in the area, so the PCPAAA Rap Sheet Committee has not been allowed to be at the PD to put together the Rap Sheet. The PD cancelled a lot of the trainings it had scheduled in January as well. I will make sure to let everyone know if any volunteer opportunities are available in the coming months.

I hope everyone had a great holiday season. My family went to Oklahoma in early December to visit family. We had a lot of fun riding 4 wheelers, shooting guns, eating too much and enjoying some amazing sunsets. My girls got to shoot a gun for the first time, and they were excellent shots. Proud dad moment for sure. My daughter Taylor's birthday was on December 13, and she wanted it to snow for her birthday and boy did it snow. The area in Oklahoma where we were had almost 4 inches of snow in 4 hours, it was crazy. Best part was I had to drive back to Texas in a snowstorm. Between us, I never want to do that again, snow, slush, freezing rain, cold is not what I want to drive in. Christmas and New Year's was a nice time, I took some time to refresh and re-energize for what 2021 will certainly bring.

Back at work, Wells and I are now sharing an office, so please pray for us. Sgt. Thomas is now a Lieutenant and Sgt. Summer Neal is now our direct supervisor. We are working to finish the background packets for police officer applicants and will soon be recruiting for the next test. We will hopefully be able to travel around different areas of the state to try and bring the best applicants to Pearland.

I am excited to have CPA Class #51 start in February. The class will continue to be socially distant, and only attendees will be allowed in class. I miss the days of having the alumni attending the classes as well, and maybe someday we can get back to those days. We will continue our best to keep everyone in the PCPAAA updated with the on goings here at the PD through 2021, and as always if you need anything please let me know.

Stay Safe & Stay Vigilant

Happy New Years to our PCPAAA Members!!

I hope everyone had a great Christmas and New Year. I know many of us did not get to spend time with family on Christmas and New Year's. It's sad that this pandemic has continued to go on but hopefully later this year things will start changing once people start getting vaccines and family and friends can get together without worry.

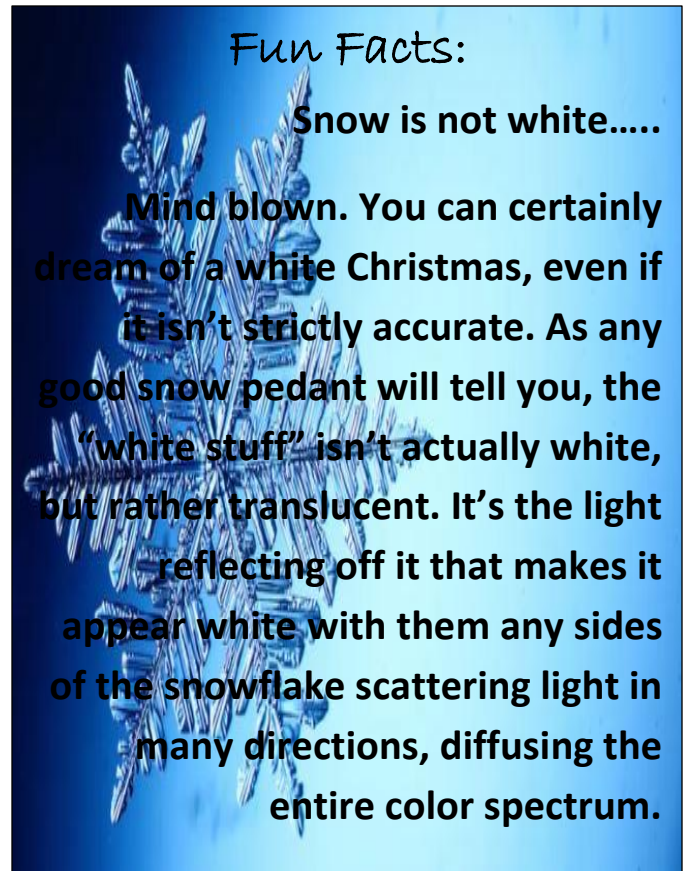

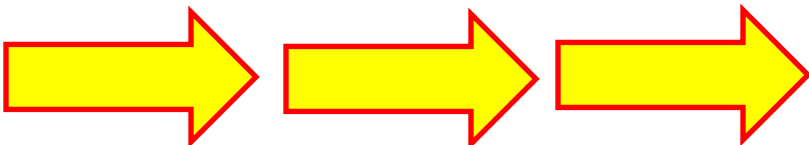

We have had several CPA members and PPD Officers get the Covid-19 virus in the past few months. I believe although they were not happy and felt really, bad, everyone has recuperated. People will continue to get it until something changes. Time will tell how soon that will be. Please be careful folks. We want to see all of you in 2021 eventually.

Because of Covid-19, the CPA has been in an unusual predicament of having to handle the board positions differently this year. As was previously stated, most of the CPA board from 2020 moved over to continue being board members for 2021. We decided that it would not affect their "term limits" for being on the board. We have been in uncharted territory during this virus. We would like to thank Dee Wyman and Nick Carbone for serving on the board this past year. They have decided to leave the board and will be replaced shortly.

Also because of Covid-19 we have been unable to fundraise the way we have in past years. That has left us with a BIG void. We are being extremely careful spending funds, but we still have expenses and bills to pay. With that said, I wanted to remind people that we need members to please pay your 2021 yearly membership dues. Also, if you have not setup those automatic donations through your employer donations, Kroger, Amazon or any other merchants that provide donations based on how much you spend, please consider doing that.

I am feeling somewhat optimistic that later in 2021 things will get better for everyone. We hope to be able to start volunteer opportunities once things look a little better on the Covid-19 front. Keep watching your emails for any requests.
