## ROGERS' ROLL CALL

By Officer Chad Rogers, CPA Liason

Three, Two, One.....HAPPY NEW YEAR!! Welcome to the January 2023 PCPAAA Rap Sheet. I hope everyone had a happy holidays and is ready for the new year. Freezing temperatures on Christmas was fantastic, I was getting tired of 80-degree weather during the holidays. Turning the air conditioner temperature down into the 60s and lighting the fireplace just to pretend it was cold outside was getting annoying. The one thing I was not expecting was preparing for a freeze when you have a horse and a goat. I kept trying to convince my daughter Taylor that horses and goats in the wild do not get to wear blankets, have extra feed, heat lamps, tarps to block the wind, etc. I even showed her a clip from Yellowstone where none of the animals were wearing blankets and they were all fine. But against all of my arguments our animals are spoiled. We are hitting the ground running in 2023 with background packets and looking to hire the next group of Pearland Police Officers. Thank you for the continued support of us. When we go out to recruit, we talk about the support of the community and mostly the support of the PCPAAA, and all you do for us

I want to thank all of the volunteers that helped out at the City of Pearland Tree Lighting and the Christmas Parade. I heard lots of compliments and Thank You's from city staff for the work of the PCPAAA. I will keep everyone updated on any volunteer opportunities coming up in the new year at the PD. CPA Class #55 will start up next month on February 9. I am working to finalize the class schedule soon. If in the recent years you missed a class, I will put out the schedule and depending on the number of people in the class we can work to attend the class you missed. Also, there will be the Advanced CPA Classes in June again this year. I am not sure on the schedule and dates at this time, but I can guarantee it will be a great time.

As always if you need anything please let me know.  
Stay safe & Stay Vigilant.

# PRESIDENT'S CORNER

By Judy Reed Gaudin, PCPAAA President

Welcome to the 2023 PCPAAA! Wow another year in the rearview mirror. Looking back on 2022, we continue to make great strides in volunteering and assisting, after coming through the COVID pandemic. I first want to welcome the new members from the two Pearland CPA Classes that were held this past year. (Classes 53 & 54) We are thrilled that you have joined. I hope that we can continue to maintain a steady increase in membership from new and past class recipients. Thanks to Heather Baker and the Membership Committee we have made a great start. With the support of our volunteers, we can continue to support our Police officers, staff and city, when and where we are needed. We are showing more interest in members joining and hope to have many volunteer opportunities ahead.

I have a lot to learn as your new President, and I will need a LOT of help from all of you. I want everyone's input. If you have ideas, compliments or even complaints about the way we are doing things please feel free to talk to me. I am new to this so I may miss things that need to be addressed. I have a very high standard that Billy has set for me to measure up to and I intend to keep that standard.

Billy, wow that is a lot said. He has served as President for many years off and on. OK President and every other position too. He is an amazing and indispensable part of our organization. We would not be where we are today without his leadership, knowledge and guidance. I can not begin to find the words to thank you enough Billy. But the is not Goodbye....because we all know you WILL return as president again in the near future. But for now, from the bottom of our hearts we thank you!

I would like to thank the 2022 members of the board. Last year saw a few changes that gave us new challenges and new opportunities. In December, we as volunteers were asked for more people than ever before to assist with the Christmas parade. Our volunteers came through to make sure all spots were filled. Well Done! As the new 2023 board starts this year, we will strive to increase awareness of the PCPAAA, and continue to find new ways of doing fundraisers. If anyone has any inventive ways of fundraising, now is your chance to step up to the plate.

At this time, I would like to introduce and congratulate the 2023 PCPAAA Board members:

# OFFICER SPOTLIGHT

This month's officer is Clayton Kriewaldt who is currently working D Squad's 6:00 PM to 6:00 AM shift.

Clayton was born in New Braunfels Texas October 3rd 1986. He graduated from Clear Creek High School in 2005. He then attended the University of Houston where he received a Bachelor's degree in Psychology in 2013. He then attended Sam Houston State University and received a Master's degree in criminal justice, leadership and Management in 2021.

Clayton has been married to his wife Megan since April 6th 2013. They are raising 4 children, Cohen age 14, Carson age 13, Collin age 4, and Marianna age 2.

Clayton enlisted in the United States Marine Corps on June 6th 2005. He was trained as an infantry man. He had two deployments in Iraq and was a Corporal. He got out of the Marines in June 6th 2009.

What led him into this career was he enjoyed being physically active and enjoyed being involved in the legal system. Going into law enforcement was a good balance between the two. He attended the Alvin Community College Police Academy and then worked at League City for six months before going to the Manvel Police Department. He worked at Manvel for six years, three of them as a sergeant.

Clayton's future plan is to have a large house on lots of land. The simple reason behind that wish is the fact they have 2 horses, 1 donkey, 2 ponies, 3 goats, 17 chickens, 5 ducks, 3 rabbits, 2 Guinea pigs, 2 cats and 3 dogs.

His impact moment was when he responded to an EMS call. An individual had ingested mushrooms and was driving impaired with children in the car. While on the scene Clayton and other officers were upset with the driver's action potentially endangering the children and ended up yelling at the driver for his actions. Afterwards Clayton realized that losing his temper on scene was not helpful and even upset the children. He is now better able to do his duties and get justice for those that need it while always remaining professional.
